FOREVER FORWARD

MILLE MIGLIA MM1009

With the new MM1009 Mille Miglia's style center tried to re-invent the concept of meshed spokes style. The perfect spacing of the spokes and the details of the five forks make the MM1009 a design classic but innovative, able to maintain for a long time its fresh look. Available in three finishes, thanks to the different colors and different types of diamond cut, MM1009 gives the feeling of being able to choose between three different wheels, each with a unique and distinctive character.
